The Manama/4 Store. Bicycle Plans for 1899 The "Orient"

WHEN we talk bicycles we speak with authority, and the cycling population of the entire eastern United States will listen. For several seasons our retail bicycle business has been the largest in the We fully expect to sustain our leading record of the past in 1899.

Circumstances that are familiar to everybody necessitated a successor to the Humber Bicycle, our leader last year. It was not an easy matter. The standard set by the Humber is not one that could be met by many wheels.

We are therefore fortunate in controlling

The "Orient" Bicycle

as our leading wheel for the coming season. This is a wheel already well known to riders. It has never lost a friend nor made an enemy. It is "thoroughbred" in every respect. Details of its excellence and advantages will be a later story.

This wheel will be sold at the following prices:-

Orient Roadster, Men's or Women's, \$50 (An extra charge of \$1.50 for brake.)

"1.30" Orient, Men's and Women's Models, \$65

(Men's wheels weigh 20 lbs., and are of the highest class for fast road The women's are 22½-lb. wheels—the lightest in the market.)

Orient Chainless, \$75

There's a small lot of Humbers still remaining here that you may choose from at these prices: Roadsters, \$40, Tourists, \$42, and Lady Humbers at \$45. Also a number of Continentals at \$25 for men's models, and \$26.50 for women's. A few men's Continents at \$18.
